

Become a Certifying Exam Examiner

Criteria

- Completed an ACGME- or RCPSC-accredited EM residency
- Certified by ABEM and three years out from EM residency graduation
- Meet the definition of providing meaningful care according to the [Policy on Clinical Activity and Meaningful Care](#)
- Actively participating in the ABEM continuing certification process
- Possess [Examiner Attributes](#)

Time Commitment

- Selected applicants are offered a 3-year term with opportunities for reappointments based on participation and performance
- In their 3-year term, Examiners are expected to participate in three Certifying Exam administrations
- Examiners choose to participate either remotely or in person
- In-person examiners travel to Raleigh, North Carolina, to attend training on Sunday and then administer cases Monday through Thursday of an administration
- Remote examiners score cases asynchronously by watching videos of assigned cases and submitting scores on their own schedule the week after an administration

Application Process

- Applicants complete the [Examiner Application Form](#)
- A professional colleague submits the [Examiner Recommendation Form](#)
- Examiner applications are considered on a semiannual basis by the ABEM Board of Directors
